Praising God for you!

Dearly Beloved,

This year, precisely in September will mark the 25th year since the Lord by His infinite wisdom and eternal plan began this ministry of soul winning campaign. I believe this ministry is the many ways God has adopted in addressing the seemingly lack of soul winning by the Church of Jesus in these times. We have every reason to give God all the praise and to shout for joy with the shout of triumph.

HALLELUJAH!!!

Over these years, the work of the Holy Spirit by our collective efforts has yielded millions of souls for Jesus by our records. We definitely cannot say our records is the same as that of heaven (though we pray that it will be as close as possible) but what we can definitely say is that millions of people have heard the gospel of Jesus Christ which is a seed sown in their spirits.

HALLE-

LUAJAH!!!

For us as staff, we never at any point see our involvement in this heaven sent mission as a right, but we see it as a privilege to be made part of this awesome soul winning mission. And again we say a big thanks and praise to God for counting us worthy to be a part of this ministry.

HALLELUJAH!!!

In Joshua 13:1 God reminds Joshua of his age, but without making any reference to the awesome previous conquest he had made, He reiterates that there was a litany of the many conquests that were yet to be made. I believe this attitude of God should be a guiding principle for us also. In as much as we rejoice in the work the Holy Spirit has used us to do for these past years, our focus must be on what else God wants to use us for and avail ourselves, hearts, time, talent, abilities and resources forward that goal. And with the happenings in our world today, this cannot be overemphasized.

PEOPLE NEED THE LORD, plain and simple.

The GOSPEL OF JESUS is the **ONLY** answer and solution for all of mankind's SPIRITUAL, physical and social needs. By divine providence, we have been made the carriers of this answer and solution in whichever capacity God has placed us in our various environments and places.

Jesus did not wait in the synagogues, churches, or town halls for people to come and hear Him. He did not wait to organize weekly church meetings or hold monthly crusades. He carried the gospel to the people in the streets, markets and public places, homes, towns and villages **ON A DAILY BASIS**. The apostles continued in the same manner carrying the gospel to the people who like sheep without a shepherd had gone astray as it is to this day. This ministry has carried on with this tradition of Jesus and the apostles, of not waiting for the people, but carrying the Gospel to the people **ON A DAILY BASIS**.

On behalf of all staff and our families, I express our heartfelt and profound gratitude first to God who has made this possible and to everyone who in diverse ways, directly and indirectly made it possible for the missionaries to go to the harvest fields DAILY.

The clarion call still echoes much more louder and clearer,
RESCUE THE PERISHING – CARE FOR THE DYING AND THE NEEDY.
